The information provided on this website by The Balanced Mind LLC is for educational and informational purposes only. All content, services, workshops, programs, downloadable materials, audio resources, and other offerings available through this website are intended to support personal growth, emotional well-being, stress management, nervous system awareness, and overall wellness.

The Balanced Mind LLC does not provide psychotherapy, mental health counseling, medical treatment, diagnosis, or healthcare services in the United States. Nothing on this website should be understood as medical advice, psychological treatment, psychotherapy, diagnosis, or as a substitute for support from a licensed physician, psychologist, therapist, psychiatrist, or other qualified healthcare provider.

Using this website, submitting a form, purchasing a service, or participating in any program, workshop, or session does not create a therapist-client, counselor-client, physician-patient, or other licensed healthcare provider relationship.

Results vary from person to person. No specific outcome is promised or guaranteed.

If you are experiencing a medical emergency, mental health crisis, or believe you may be in immediate danger, call 911 or seek support from a licensed emergency or crisis service in your area immediately.
